Dear Meta,

**YOUR SUCCESSFUL APPLICATION TO THE
NEXTGEN LEADERSHIP PROGRAM**

Congratulations!

We are delighted to inform you that you have been accepted to the Ramon Magsaysay Transformative Leadership Institute's NextGen Leadership Program this coming June 14-25, 2021. You are one of the 30 young leaders chosen by the selection panel of the Ramon Magsaysay Award Foundation (RMAF) to be part of the first cohort of this leadership program.

The Ramon Magsaysay Transformative Leadership Institute (RMTLI) was created as a unique enterprise that connects Magsaysay Laureates and their leadership contributions to other leaders across Asia – and beyond – bringing together their inclusive solutions in ways that can better address the region's age-old problems, as well as the challenges spawned by Asia's economic progress itself.

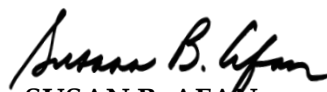

The Institute fosters innovative approaches to development projects –from practical and sustainable solutions that are rooted in social enterprise and empowerment of the poor, to initiatives aimed at developing future leaders who can continue the Awardees' advocacies.

We trust that you will fully participate in this unique leadership program developed by RMTLI for emerging change leaders in Asia. We are excited to journey with you throughout the program and in other related important activities, until the coming into fruition of your batch project. We have carefully designed the sessions around the broad framework of three Is: *Inspire, Interconnect, Ignite action.*

We highly suggest that you already block-off all mornings from June 14th until the 25th. Attached is the program of the 2- week session and an initial list of document requirements we need to receive from you. We will be sending to you in the coming weeks other relevant documents and materials for reading as we begin to prepare for the sessions.

Please let us know in writing of your confirmation and acceptance of this slot in the leadership program, and your willingness to be an active member of the first cohort of the RMTLI NextGen Leadership Program. Send your confirmation letter, along with other initial requirements (see appendix A) to nextgen@rmaward.asia on or before June 1, 2021.

Looking forward to meeting you soon!
